Re: In the matter of MCI Communications Services, Inc., et al., v. Windstream
Kentucky West, Inc., et al ("Windstream"), Case #2007-00503

Dear Mr. Derouen:

The Commission's March 11, 2009 Order entered in the above referenced case denied Windstream's Motion to Dismiss and established a procedural schedule in the case. The procedural schedule called for the parties to exchange initial data requests by no later than March 30, 2009. Please be advised that, pursuant to KRS 278.410, on March 30, 2009, Windstream will be filing a Complaint with the Franklin Circuit Court appealing the denial of its Motion to Dismiss. Accordingly, Windstream Kentucky West, LLC and Windstream Kentucky East, LLC will not be serving their initial data requests at this time, and do not believe that the other parties are required to do so and request that if the parties do file that they omit service on Windstream. Please note that neither Windstream West nor Windstream East is waiving any rights with respect to data requests.

Thank you for your attention to this important matter, and please feel free to contact me should you wish to discuss same.

Yours truly,

Robert C. Moore
