RE: Case No. 2007-00503
MCI Communications Services, Inc.; Bell Atlantic Communications, Inc.;
NYNEX Long Distance Company; TTI National, Inc.; Teleconnect Long
Distance Services and & Systems Company; and Verizon Select Services, Inc. v.
Windstream Kentucky West, Inc.; Windstream Kentucky East, Inc. – Lexington;
and Windstream Kentucky East, Inc. – London

Dear Mr. Derouen:

Sprint Nextel wishes to inform the Commission that it is unable to file its second requests for information to Windstream today as required by the procedural schedule set forth in the Commission's May 11, 2009 Order in this matter, because Windstream has failed to provide any response to Sprint Nextel's initial requests filed on March 30, 2009. Windstream's response was due on April 24, 2009. The ability as well as the need to draft a second round of requests for information is dependant on the information provided in the initial responses, and Sprint Nextel's ability to generate a complete and meaningful second set of requests has been prejudiced by Windstream's failure to provide its initial responses. Sprint Nextel reserves the right to file its second set of requests, if necessary, after it receives Windstream's initial responses.

Please do not hesitate to contact me with questions.

Very truly yours,

John N. Hughes

Attorney for Sprint Nextel
