Re: Case No. 2007-00503

Dear Mr. Derouen:

On March 23, 2010 Sprint Nextel filed a Motion to Compel seeking an order directing Windstream to provide responses to certain data requests that it had failed to answer. Since the filing of the Motion, Sprint Nextel and Windstream have had discussions about the information needed. Windstream provided limited information on April 5th, which does not directly or completely address Sprint Nextel's original data requests. However, in order to avoid a procedural impasse and to prevent the Commission from being forced to rule on the Motion, Sprint Nextel is no longer seeking a ruling on the Motion or on the adequacy of Windstream's responses. Accordingly, no action by the Commission is needed at this time.

If you have any questions about this matter, please contact me.

Very truly yours,

John N. Hughes

Attorney for Sprint Nextel
