Case No. 2008-00176

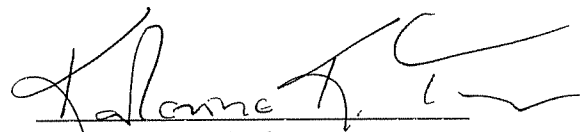

**Joint Motion for Extension of Time to
Respond to Supplemental Data Requests**

Parksville Water District ("Parksville") and the City of Danville ("the City") hereby request an extension of the deadline for filing responses to supplemental data requests, set in the Commission's Order dated December 19, 2008, to February 9, 2009. The extension is necessary due to the power outages and the loss of water pumps at Herrington Lake caused by the recent winter storm, which have created an emergency situation for both of these parties.

WHEREFORE, Parksville and the City respectfully request that the Commission extend the deadline for filing responses to supplemental data requests to February 9, 2009.
