Re: Kentucky Utilities - Petition for Confidentiality received 10/3/08
PSC Reference – Case No. 2008-00199

Dear Sir:

The Public Service Commission has received Kentucky Utilities' Petition for confidential treatment requesting to protect as confidential certain information contained in its Response to the Commission's Second Data Request dated September 24, 2008. The information is described as billing information reflecting utility usage by customers other than the Complainant in this action. Kentucky Utilities states that the information is personal to its customers and not known to the general public.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Kentucky Utilities is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo
Executive Director
