Case No. 2008-00203

**MOTION FOR INFORMAL CONFERENCE OR PROCEDURAL ORDER**

In the Order of the Commission in this case dated August 26, 2009, the Commission  
stated:

The record is not sufficiently specific to support a Commission determination that Windstream is entitled to the full amount of its requested relief, if it is indeed entitled to any recovery. The Commission must further develop the record in order to determine the proportionate liabilities and responsibilities of the parties. Therefore, a separate hearing must be held to make these determinations.

Order, p. 22.

Windstream Kentucky East, LLC ("Windstream East") accordingly requests the Commission to either (1) Order an informal conference at which the parties and the Commission staff can identify what additional facts are necessary for the record, and can propose a procedural order; or (2) Enter a Procedural Order for the hearing on compensation due Windstream East.

Respectfully submitted,

---
