Mr. Price and Mr. Hughes:

On April 6, 2009, the Commission entered an order in the Frankfort Electric & Water Plant Board's rate case regarding wholesale water service to six public utilities: Elkhorn Water District, Farmdale Water District, North Shelby Water Company, Peaks Mill Water District, South Anderson Water District, and U.S. 60 Water District. In its order, the Commission required the Plant Board to refund the difference "between the amount charged at the proposed rate for service between December 8, 2008 and the date of this Order and the rate approved herein." The Plant Board was to refund those funds within thirty days from the date of the order. Commission Staff requests that the Plant Board inform us, in writing within five days of receipt of this letter, as to the status of these refunds.

Thank you for your assistance in this matter. Questions regarding this letter may be addressed to Todd Osterloh, Staff Attorney, at (502) 564-3940, extension 439 or at [Todd.Osterloh@ky.gov](mailto:Todd.Osterloh@ky.gov).

Sincerely,

Jeff Derouen  
Executive Director
