Dear Sir/Madam:

I am writing to you to oppose the rate increase initiated by KU/LG&E for the Trimble County Coal Plant. I am in favor of increased rates to research and find other alternative fuel sources and means. I am sending you this email from my place of work. I live in Jefferson County, KY. Every time we turn around, LG&E is petitioning for a rate increase. When is this going to stop. Maybe LG&E should tighten their belts a little and initiate cost-saving measures like everyone else is having to do. Again, my vote is NO for this rate increase.

**BEST WISHES IN 2009**
