RE: Case No. 2008-00335 – *Insight Communications v. Windstream*

Dear Mr. Derouen:

Windstream Kentucky East, LLC and Windstream Kentucky West, LLC (collectively “Windstream”) is in receipt of a copy of Big River’s letter in this matter dated June 15, 2010.

To reiterate Windstream’s previous filing in this matter, Windstream is actively working to ensure compliance with the FCC’s most recent Report and Order.¹ The effective date for the Report and Order is July 22, 2010 (thirty days from June 22, 2010, the date of publication of the Report and Order in the Federal Register). Windstream will comply with the requirements of the Report and Order. Additionally, Windstream anticipates cessation of the use of carrier assigned passcodes for CSR and LSR verification on or before the effective date of that Report and Order.

Very truly yours,

Mark R. Overstreet
