COMMISSION

Dear Mr. Wuetcher:

Pursuant to the letter I received from the Public Service Commission, from Jeff Derouen, Executive Director, dated October 12, 2009, I am responding to your data request. In that letter, the Commission staff requested information regarding the status of the approved emergency tie-in between Prestonsburg City Utilities and Magoffin County Water District from the Kentucky Infrastructure Authority.

Sometime during late January or early February, 2009, the Magoffin County Water District's Chairman, Randall Hardin, Superintendent, Jim Hoskins, and Big Sandy ADD Employee, Brenda Powers, met with the Prestonsburg City Utilities and discussed the possibility of Magoffin County Water District making a tie-in in their water system with Prestonsburg City Utilities. The discussions between Magoffin County Water District and Prestonsburg City Utilities went well. However, no contracts have been executed or final details formalized to date. Prestonsburg City Utilities has verbally agreed to provide hook up and water services to Magoffin County Water District.

If you have any further questions or need further information, please feel free to contact me at your convenience.

Very truly yours,

COLLINS & ALLEN
