**APPLICATION OF ATMOS ENERGY CORPORATION)
TO EXTEND ITS DEMAND-SIDE MANAGEMENT PROGRAM) CASE NO.
AS AMENDED, AND COST RECOVERY MECHANISM,) 2008-00499
AS AMENDED, FOR THREE (3) YEARS)**

CORRECTIVE FILING OF ATMOS ENERGY CORPORATION

Comes now Atmos Energy Corporation (hereinafter referred to as "Atmos"), by counsel, and submits this Corrective Filing for the reasons set forth below.

On page two (2) of Atmos' response to the Attorney General's Comments, the following statement appears:

"Atmos proposes to continue to monitor the DSM program and report the levels of participation as it has historically done – with the exception that the monthly reports which the Company has historically filed with the Commission (and which it proposes to continue to file), would be expanded to include any new component of the DSM program approved by the Commission (i.e. rebates and education)."

The sentence quoted above incorrectly states that the monthly DSM reports have historically been filed with the Commission. The Response should have stated that the monthly reports have historically been filed by the Company with the collaborative board.

Undersigned counsel for Atmos apologizes to the Commission, Staff and the Attorney General for any problems or concerns created by this misstatement.

Respectfully submitted this 27 day of May, 2009.
