RE: Application for Non-Recurring Charge Increase
Mountain Water District

Dear Ms. Stumbo:

Please find enclosed an application to make tariff revisions for certain non-recurring charges as listed in the enclosed tariff sheet and as defined in 807 KAR 5:006, Section 8. In support of its application, Mountain Water District states as follows:

1. Cost justification forms are included for each quantified rate proposed which show a full description of the equipment or service provided. The proposed rates cover incremental costs and a reasonable contribution to overhead.
2. A copy of the public notice that will be published in the newspaper for three (3) consecutive weeks before the new rates are imposed.
3. A copy of this filing has been mailed to the Attorney General's Consumer Protection Division at 700 Capital Avenue, Suite 118, Frankfort, KY 40601.
4. Mountain Water District costs of performing the services associated with the non-recurring charges proposed have increased dramatically since our last general rate case. Mountain Water District has been absorbing the increased costs incurred for the listed non-recurring charges and cannot afford to wait for its next general rate case.
