Re: Case No. 2008-00536

Dear Mr. Wright:

This is in response to your letter received on March 6, 2009 regarding your concerns in the case referenced above. Your letter is being treated as an official protest and will be placed in the case file of this proceeding. The Commission will take your concerns into consideration in its review and decision in this matter.

The Commission welcomes your attendance at the fuel adjustment clause hearings scheduled for March 17, 2009. Members of the public will be permitted an opportunity to make a comment (limited to five minutes) at the hearing. It is worth noting that the purpose of this proceeding is limited to the fuel adjustment clause, from which a utility may recover its current fuel expense through an automatic rate adjustment without a full regulatory rate proceeding. The fuel adjustment clause is only one portion of an electric bill.

Thank you for your letter of interest and concern in this matter.

Sincerely,

Jeff Derouen
Executive Director
