MOTION TO REAFFIRM OR AMEND ORDER, AS NECESSARY

The North Marshall Water District (the "District") applied for and received a Certificate of Public Convenience and Necessity by Order entered March 30, 2009 (the "Original Order"), to install an Automated Meter Reading ("AMR") system at an approximate total project cost of \$840,000 and for authority to borrow an amount not to exceed \$800,000 from First Kentucky Bank, Inc. (the "Bank") maturing over a 10-year period with an interest rate of 4.34% per annum (the "Indebtedness").

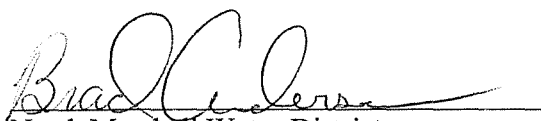

Pursuant to KRS 278.300, the District may not issue any securities or evidences of indebtedness until it has been authorized to do so by order of the Commission.

The District respectfully requests that the Commission reaffirm or amend, if necessary, the Original Order to clarify that the Indebtedness will constitute a revenue bond as authorized under the terms and provisions of KRS 74.290 or 74.370 or, alternatively pursuant to KRS 74.410, under the terms and provisions of KRS 58.010 to 58.140.

The terms of the Indebtedness and the purpose of the financing as otherwise presented to the Commission have not changed.

Respectfully submitted,

SUBMITTED BY:

 North Marshall Water District
