Re: PSC Case No. 2008-00563

We are opposed to a 50.80% rate increase for Water Service Corp of KY. Residents and businesses in Clinton cannot afford this type of increase. We can barely meet our obligations at the present rate.

Clinton residents cannot afford to hire an attorney or make the necessary travel to Frankfort to protest this case. If PSC could schedule a public meeting in our area it would give everyone the chance to express their views.

Sincerely,

Melvin Calvert
