PUBLIC SERVICE
COMMISSION

CASE NO. 2008-00563

To Whom it may concern

Please be advised that if the requested rate increase of 50.8% by Utilities Inc. is allowed it will affect me in the following ways.

I will be 80 years old in July. I live on a small fixed income and I will not be able to pay anymore on my utilities than I do now. The commissioner needs to come to Clinton and see that we live in a very depressed economical location. I will not be able to go to Frankfort I am not able to drive that distance.

I request that you hold a public meeting in the city of Clinton so that the citizens can attend and voice there opposition to you directly.

Thank You
