Re: PSC Case 2008-00563

I am writing to voice my ~~op~~position to the above mentioned case, a 50.8% increase requested by the Water Service Corporation of Ky, on users in Clinton, Ky.

Over 50% of us are over 65 and Hickman County has a jobless rate of 9.6%, up nearly 2% from a year ago, therefore a rate increase such as 50.8% would be a hardship for many of our citizens.

Many residents of Clinton cannot afford the time and expense of a trip to Frankfort for a hearing, so we are asking that a public hearing be held in our area.

Sincerely
