CASE NO. 2008-00563

To Whom it may concern

Please be advised that if the requested rate increase of 50.8% by Utilities Inc. is allowed it will affect me in the following ways:

My name is Amy Davis and I live at 107 N. Jefferson St. in Clinton Ky. I already struggle to make ends meet as a single mother of two young children. I have lived in neighboring communities and my water bills averaged \$70.00 a month. Since living in Clinton my ^{water} bills are usually over \$100.00 a month. And most people here are like me. This is not a rich community. If my water bill gets any higher I'm afraid my children and I will have to go without other necessities we need to make it, or my water may be cut-off, and that would be a basic need I couldn't afford to provide for my children. So please I ask you not only for me but for the health and welfare of my children don't make something we can't live without so unaffordable. ~~that~~

I request that you hold a public meeting in the city of Clinton so that the citizens can attend and voice there opposition to you directly.

Thank You
