PUBLIC SERVICE
COMMISSION

CASE NO. 2008-00563

To Whom it may concern

Please be advised that if the requested rate increase of 50.8% by Utilities Inc. is allowed it will affect me in the following ways.

I am elderly and on a fixed income. If the rates are raised, I don't know where I can cut back more to pay it when I am just paying what I have now.

I think the Commission should come to Clinton for a public hearing and listen to all of us about this rate increase. With the economy being so bad how can we pay more when there isn't the money there to do so. I am eight-eight years old and can't drive and can't ride that far to Frankfort, Ky. So they need to come here and talk to us in person.

I request that you hold a public meeting in the city of Clinton so that the citizens can attend and voice their opposition to you directly.

Thank You
