

Water Service Inc.
Case no. 2608-00563

RECEIVED

APR 10 2009

PUBLIC SERVICE
COMMISSION

To whom it may concern,
My name is Mary Davis, I reside at 410 James H. Phillips Drive Clinton, KY. I am writing to you in regards to the recent proposal placed by Utilities Inc. They are wanting to increase the water taxes another 50.8%. Prior to this proposal there has been a total of 133% of increases over the past year. I simply cannot afford another increase on this bill. I work as a waitress and as you may guess it gets hard at times to pay my bills. My water bill runs at an average of \$125.00 monthly, and with this additional increase, I honestly believe that I wouldn't be able to pay it. I am requesting that the Kentucky Public Service Commission come to Clinton and fully investigate our Public Leaders and hold a public hearing on this matter.

I thank you for your time,
Mary Davis
