PUBLIC SERVICE
COMMISSION

CASE NO. 2008-00563

To Whom it may concern

Please be advised that if the requested rate increase of 50.8% by Utilities Inc. is allowed it will affect me in the following ways.

Why should ~~they~~ They get a Increase? They ~~get~~ should not get a Increase because I pay for wastewater service even if no body is in the house for 3 weeks it is the same money if we are here or not Why should they get a Increase ~~th~~ most of the people here is not working there is no Jobs. They get Average Daily cost of \$1.00 a day when no body is here to use it. We are on well water but use there sewer When the ice storm hit we were out of water for two week. but our bill was the same as if we use it all the Time. Please don't let them have a Increase We are all having a rough time in this world

I request that you hold a public meeting in the city of Clinton so that the citizens can attend and voice there opposition to you directly.

Thank You
