CASE NO. 2008-00563

To Whom it may concern

Please be advised that if the requested rate increase of 50.8% by Utilities Inc. is allowed it will affect me in the following ways.

The increase will affect me and my child in the worse way possible. As of late February my water was cut off. I am disabled and receive only \$674<sup>00</sup> a month. I have a son in high school. And this is the only income we have. I could not pay these outrageous water bills, and afford my medications too. I have heart problems, and need the medicines. Even though my water has been cut off since February, I am still receiving water bills. The bill for April is \$1025.95. I didn't even have water on. Please do not let this increase happen, the citizens of this town and myself cannot afford it. Can you please let me know how I can get my water back on. It is a disgrace to the county, and the people who live here.

I request that you hold a public meeting in the city of Clinton so that the citizens can attend and voice their opposition to you directly.

Thank You

Will you please come to Clinton, Ky. to a public meeting. I'm on a fixed income and cannot afford to drive to Frankfort, Ky!
