RE: *Water Service Corp., Case No. 2008-00563*

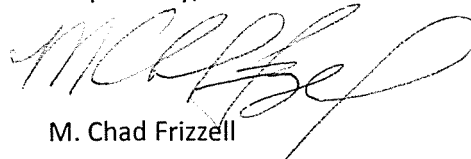

Dear Sir or Madam:

I am writing this letter of protest in regards to Water Service Corporation's proposed rate hike for the City of Clinton, KY. Clinton, Hickman County, Kentucky is home to the largest percentage of senior citizens in the Commonwealth and currently has an unemployment rate of 9.7%. The proposed rate of 50.8% will be a dire financial hardship for many of Clinton's disabled and elderly residents.

I would like to request the Public Service Commission hold a hearing in Clinton, KY regarding the proposed rate increase. As stated earlier, many of Clinton's residents are disabled and/or elderly and unable to travel to Frankfort to attend the hearings.

Please consider my request and thanks for your service to the citizens of the Commonwealth.

Respectfully,

M. Chad Frizzell
