RULES & REGULATIONS

DISCONTINUANCE OF SERVICE BY UTILITY

The utility may refuse or discontinue service to an applicant or customer after proper notice, for failure to comply with its rules and regulations or state and municipal rules and regulations, when a customer or applicant refuses or neglects to provide reasonable access to the premises, for fraudulent or illegal use of service, or for non-payment of bills. If discontinuance is for non-payment of bills, the customer shall be given at least five (5) days' written notice of termination, separate from the original bill, and cut-off shall be effected not less that twenty (20) days after the mailing of the original bill unless, prior to discontinuance, a residential customer presents to the utility a written certificate signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises in which case discontinuance may not be effected until the affected resident can make other living arrangements or until not less than thirty (30) days elapse from the date of the utility's notification. When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut-off or refused without notice, provided the utility notifies the customer or applicant immediately for the reasons of discontinuance or refusal and the corrective action to be taken by the applicant or customer before service can be rendered.

The utility, pursuant to an agreement with Classic Construction, Inc., is authorized to refuse or disconnect water to an applicant or customer of Classic Construction, Inc., in the Circle Subdivision and Ridgewood Subdivisions area of Franklin County, Kentucky, for non-payment of sewer service.
