To the Commission:

The Elkhorn Water District respectfully requests that the Commission allow us to make an adjustment in our rates in accordance with 807 KAR 5:068 Purchased Water Adjustment Clause.

The District purchased 63,144,500 gallons from October 2007 to September 2008. The District sold 59,830,400 gallons to its customers. The effective cost of water purchased was 1.6355 (with the Ky River Authority fee) during the test period. With the wholesale increase by the Frankfort Electric and Water Plant Board the new cost is expected to be 1.9185 making the total new cost \$121,142.73. The difference between the old cost and the new cost is expected to be \$17,869.90; the incremented cost in terms of water sold is \$.30 per 1,000 gallons. We propose to raise each gallonage block that amount.

The following documents are enclosed:

Copy of Tariff

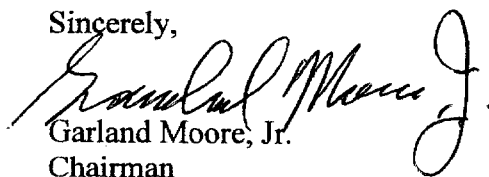

Statement of Water Purchased and Sold

Motion to Adopt and Implement, Immediately, Rates that Reflect an Increase in the Wholesale Rate Charged by the Frankfort Electric and Water Plant Board

I do hereby move that the Elkhorn Water District immediately adopt and charge new rates to its customers so as to include the increase in the current wholesale water rate that is charged to the Elkhorn Water District by the Frankfort Electric and Water Plant Board. This increase to \$1.822 per thousand gallons is reflected in the filing made by the Frankfort Electric and Water Plant Board in its document dated December 8, 2008, and as filed with the Kentucky Public Service Commission. Again, this motion is to include adoption of new rates for customers of the Elkhorn Water District, which are to be effective this date December 19, 2008. This is in effect due to a pass through of the increase in the charges to the Elkhorn Water District by the Frankfort Electric and Water Plant Board.

The Commissioners authorized the District to take the necessary action and the newly adopted rates are reflected in the attached tariff. Rates are subject to a refund if a lesser rate is warranted by the Kentucky Public Service Commission.

Elkhorn Water District Commissioners

NOTICE TO CUSTOMERS

Elkhorn Water District has made an adjustment in rates due to the increase by the Frankfort Electric and Water Plant Board to the District. The change is made necessary due to the increase in the wholesale price of water from our supplier, Frankfort Electric and Water Plant Board.
