This letter is in regards to Case No. 2009-00006. Received notice from McBrayer, McGinnis, Leslie & Kirkland, PLLC Attorneys at Law on January 16, 2009.

We own property marked as 'C' on site survey. The property line between property 'A' (Gahagan) and 'C' (Henning) is not correctly marked by fence line. We purchased property and had surveyed in 2008.

We would like to see fence moved to comply with correct property line and exact location of all easements for this tower. We would also like to know of all residual effects of the construction of this tower. Such as in this 500' radius - does that have negative health issues, construction issues, or property values.

Sincerely,

James A. Henning
Nancy E. Henning
