This matter arises upon the motion for intervention of James S. Henning and Nancy E. Henning, filed March 2, 2009, pursuant to 807 KAR 5:001, Section 3(8), for full intervention. It appears to the Commission that these Intervenors are likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. This Commission, being otherwise sufficiently advised, finds that the motion to intervene shall be granted. The Commission also finds that, in the interest of ensuring that this proceeding continues forward in a timely manner, an informal conference shall be held for the purpose of addressing the Hennings' concerns on the proposed tower placement. All parties shall be required to attend this conference.

IT IS HEREBY ORDERED that:

1. The motion for intervention is granted, and James S. Henning and Nancy E. Henning are hereby made parties to these proceedings.
