On April 22, 2009, Defendant, Kentucky Power Company ("Kentucky Power"), filed a motion for leave to file a reply to the Complainants' Response to Kentucky Power's Motion to Dismiss. In support of the motion, Kentucky Power states that Complainants filed their response on April 6, 2009. Because Complainants failed to serve a copy of their response on either Kentucky Power or its counsel, Kentucky Power states that it was unaware of the filing of the response. Eventually, as a result of its periodic review of Commission case documents made available through the Commission's website, Kentucky Power discovered Complainants' response on April 21, 2009. Pursuant to the Commission's April 3, 2009 Order, Kentucky Power had 10 days from the date of Complainants' response in which to file its reply. Kentucky Power now requests leave to file its reply no later than April 28, 2009, stating that the

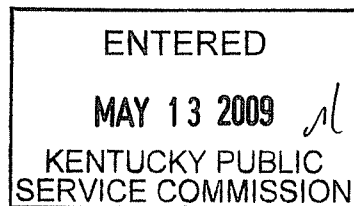

requested extension would provide a shorter period to reply than was granted under the Commission's April 3, 2009 Order and the requested extension would not prejudice any party in this matter. Kentucky Power subsequently filed its reply on April 24, 2009.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Kentucky Power has shown good cause to amend the briefing schedule established by the Commission's April 3, 2009 Order.

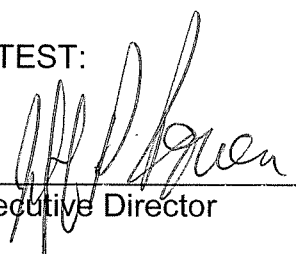

IT IS THEREFORE ORDERED that:

1. Kentucky Power's Motion to Extend Period for Filing A Reply to Complainants' Response is granted.
2. Kentucky Power's April 24, 2009 reply is hereby deemed filed and made a part of the official record in this case.
