RE: Case # 2009-00025
Filing Deficiencies

To Whom It May Concern:

This letter is to address the letter concerning the filing deficiencies on our proposed revisions for Non-Recurring Charges.

#1 The Water District did send a copy of the filing to the Attorney General at the same time the filing was sent to the Public Service Commission, which was dated as received January 21, 2009.

#2 The Income and Balance sheet is sent each year in our Annual PSC Report.

#3 The total revenue generated with the Non-Recurring charges filing will not exceed the total revenue of the District by 5%. This is just to break even on the several charges listed.

I want to apologize for any inconvenience this has caused to anyone, but I am very un-informed to the correct procedures to follow if these situations. If this is not correct, please contact me as soon as possible. Thank You.

Sincerely,

William H. Hill, Manager
Corinth Water District
