

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF CORINTH)	
WATER DISTRICT TO REVISE)	CASE NO. 2009-00025
CERTAIN NONRECURRING CHARGES)	

ORDER

On January 21, 2009, Corinth Water District ("Corinth District") filed with the Commission an application to revise certain nonrecurring charges. Finding that the application failed to comply with 807 KAR 5.011, the Commission initially rejected the application for filing. The Commission accepted the application on March 13, 2009 after Corinth District supplemented its initial submission.

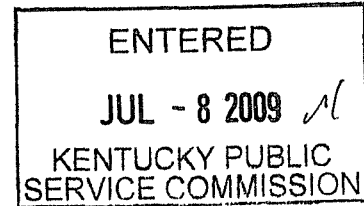

On June 18, 2009, Corinth District filed certain documentation in response to the Commission's Order of June 11, 2009. Included in this documentation was a document called "Merchant Processing Statement" from RBS WorldPay for the period from May 1, 2009 to May 31, 2009 that clearly revealed Corinth District's "Customer Number" and "Merchant Number." The Commission finds that numbers identifying specific account information with a merchant are considered confidential and are exempt from disclosure under the Kentucky Open Records Act.

The Commission, on its own motion, HEREBY ORDERS that:

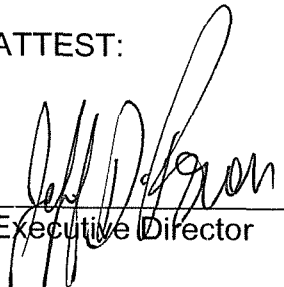

1. Corinth District's Customer Number and Merchant Number contained in the Merchant Processing Statement shall be afforded confidential treatment.

2. The Executive Director shall remove from the public records Corinth District's Customer Number and Merchant Number as contained in the Merchant Processing Statement and shall substitute a redacted copy.

By the Commission
