Re: Notice and Application of Big Rivers Electric Corporation
for a General Adjustment in Rates P.S.C. Case No. 2009-00040

Correction to Brief of Big Rivers Electric Corporation

Dear Mr. Derouen:

Big Rivers Electric Corporation has discovered an error in its brief that it wishes to call to the attention of the Public Service Commission and the parties. On page one of its brief in support of emergency interim relief filed April 8, 2009, in the first paragraph in the introductory section, line four, the reference to "60%" on line of paragraph is incorrect. Under the circumstances, the simplest way to handle this error is to treat the words "of 60%" on that line of the brief as deleted. We apologize for this error. I certify that a copy of this letter and attachment has been served on the parties of record.

Sincerely yours,

James M. Miller
Counsel for Big Rivers Electric Corporation
