RE: Case No. 2009-00064
Response to Public Notice dated March 4, 2009

Dear Public Service Commission:

Our office represents Lee Etta Cummings who received a Public Notice in Case No. 2009-00064 regarding the application of East Kentucky Network, LLC, d/b/a Appalachian Wireless for a Certificate of Public Convenience and Necessity to construct and operate a new cellular telecommunications service.

Please be advised that Ms. Cummings wishes to intervene in this matter and be heard regarding her objections to East Kentucky Network's application. Ms. Cummings owns land immediately adjacent to the site of the proposed tower. The location of the proposed tower would interfere with mining operations occurring on or proposed for Ms. Cummings' land and would interfere with and affect the development potential and value of her land. Therefore, Ms. Cummings objects to East Kentucky Network's application. She requests a hearing in this matter and any other relief to which she may be entitled.

Please send any future notices regarding this matter to my attention.

Sincerely,

Nora J. Shepherd
