RE: Case No. 2009-00064
East Kentucky Network, LLC, dba Appalachian Wireless

Please make the following change or amendment (first amendment to the original filing dated 03-05-09) to the Dry Fork - Letcher County filing noted above or Case No. 2009-00064.

This amendment is to simply replace the Site Survey Map with the property owners. Item 11.
The new map shows the road, south and southeast of the tower, that East Kentucky Network will be using.

The older map, original filing, showed the possibility of two roads going to the site, we have no intention of using the road of the northern end of the map (top of map) and that should be noted.

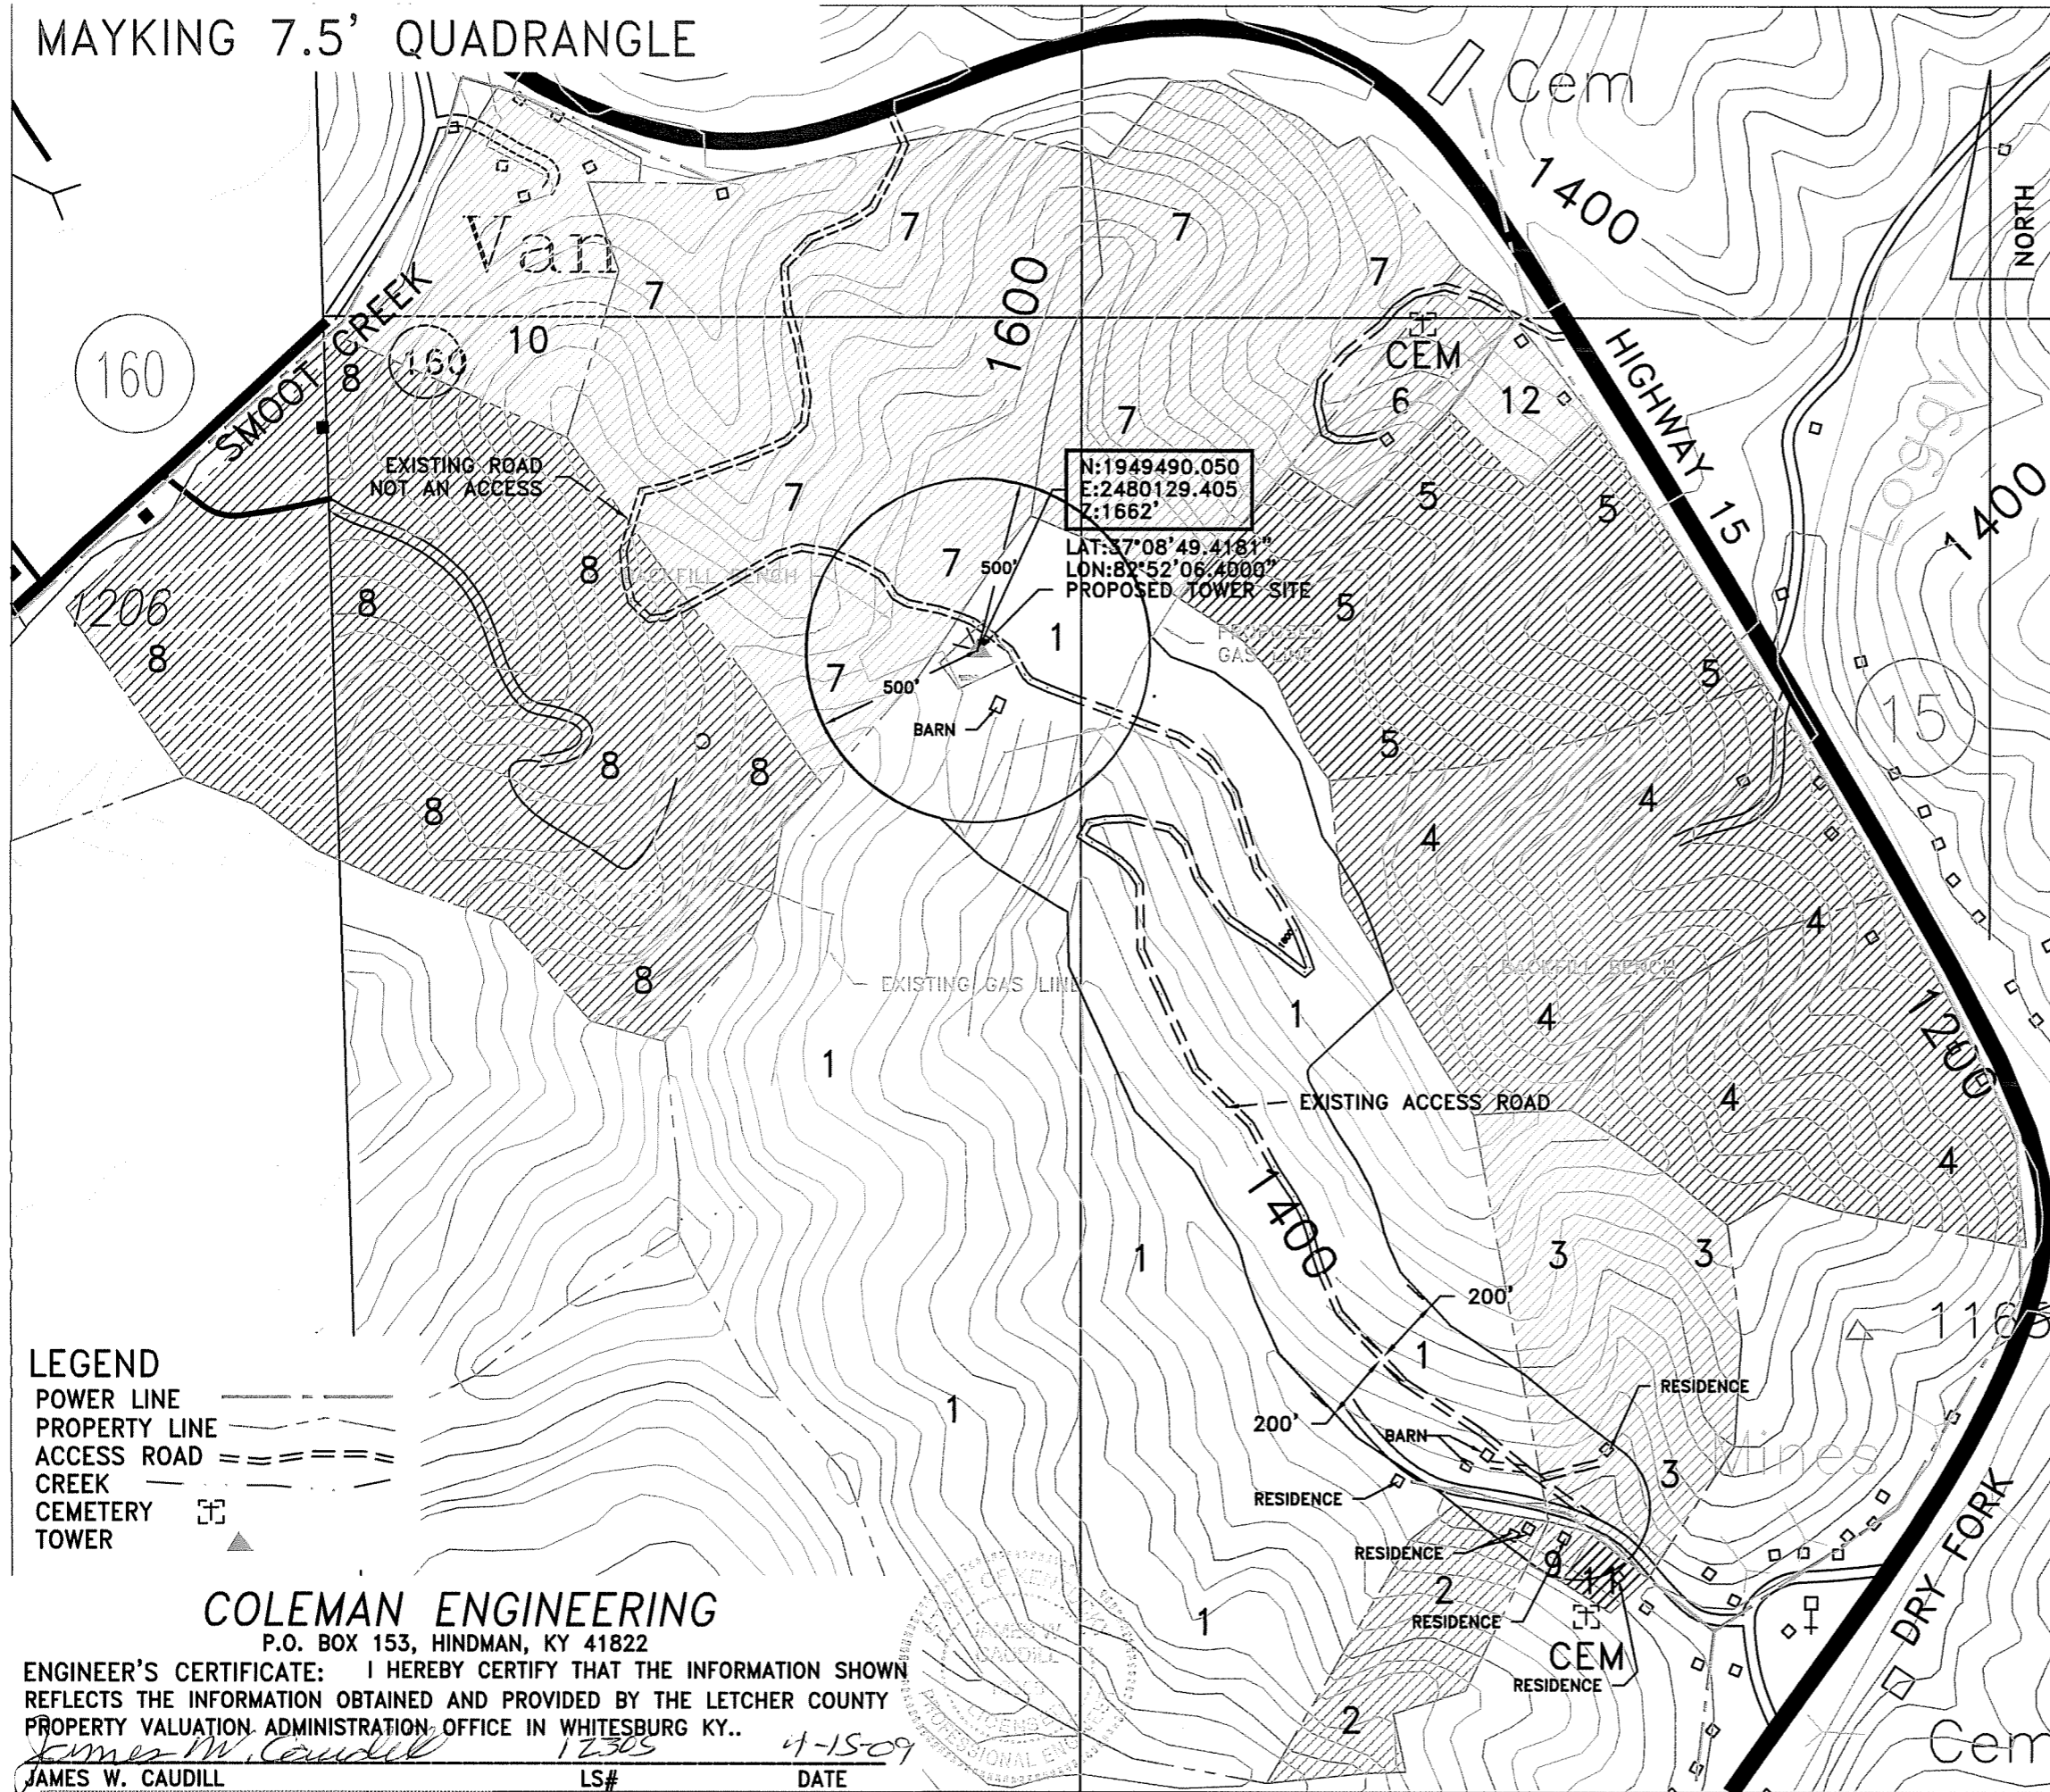

Sincerely,

Gerald F. Robinette
General Manager
East Kentucky Network.
