O R D E R

On February 20, 2009, the Longview Land Company, LLC ("Longview") filed an application for a rate adjustment under the provisions of 807 KAR 5:076. Longview has proposed that the new rates become effective for service on and after March 24, 2009. On March 5, 2009, the Attorney General of Kentucky, by and through his Office of Rate Intervention, moved, pursuant to KRS 367.150(8), to intervene as a party in this proceeding on the proposed rate increase.

Having considered the proposed rate adjustment and being otherwise sufficiently advised, the Commission finds that, pursuant to KRS 278.190, further proceedings are necessary to determine the reasonableness of the proposed rate adjustment. Any party to this proceeding may request that the Commission enter a procedural schedule for obtaining information and may request a formal hearing before the Commission.

IT IS THEREFORE ORDERED that:

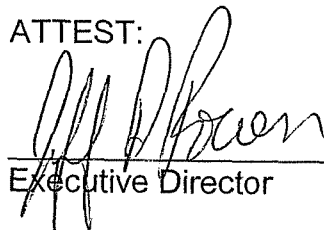

1. Longview's proposed rate adjustment is suspended for five months from March 24, 2009 up to and including August 23, 2009.

2. The Attorney General of Kentucky, by and through his Office of Rate Intervention, is granted full intervention in this proceeding.
