RE: Formal Application for Tariff Revision

This is an application to revise Oldham County Water District's meter connection fee for 5/8 x 3/4 inch connections. Upon approval of the tariff, Oldham County will begin installing computer radio read meters for all new connections. Enclosed is the connection charge cost justification calculations, a revised tariff sheet and a copy of the public notice that will be published in the newspaper for three consecutive weeks.

This meter connection fee was not included in the last rate case filed by Oldham County since Oldham County had no plans to install computer radio read meters at that time. Oldham County is not requesting a general rate increase at this time. However, the District cannot absorb the cost of installing computer radio read meters at its current connection fee. The increased connection fee will not impact current customers. The individuals affected by this increase will be new applicants for service.

The District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are contained in the annual reports filed by Oldham County. Oldham County has not filed more than two increases in its non-recurring charges since its last general rate case.

There will not be additional revenue from this tariff filing. All money collected will be used to purchase and install the computer radio read meters. Therefore, additional revenue will not exceed five (5) percent of total revenues provided by all miscellaneous and non-recurring charges for the most recent twelve (12) month period.

The District will publish the enclosed public notice of this requested rate revision in the local newspaper on and after the date of this filing. An affidavit from the newspaper verifying that the notice was published for three consecutive weeks will be forwarded to you. A copy of this application has been sent to the Office of the Attorney General, 100 Perimeter Park, Frankfort, KY 40601.

Oldham requests a deviation from from 807 KAR 5:066 Section 15(2). Oldham requests that it not be required to test meters that are removed and replaced with computer radio read meters. The removed meters will not be placed in service at another location within the system.

Very truly yours,

RE: Formal Application for Tariff Revision

This filing shall serve notice that Oldham County Water District has filed an application with the Public Service Commission to increase its meter connection charge for 5/8 x 3/4 inch connections from \$734.45 to \$1,020, an increase of \$285.55. The purpose of this increase is to cover the cost of installing computer radio read meters for all new connections.

Oldham County is not requesting a rate increase at this time. However, the District cannot absorb the increased cost attributable to this charge. The customers affected by this increase will be applicants for new service.

The District will publish a public notice of this requested charge in the local newspaper for three consecutive weeks. You will find a copy of the customer notice enclosed.

Very truly yours,

Oldham County Water District
Enclosure

NOTICE

Oldham County Water District has filed an application with the Kentucky Public Service Commission to increase its meter connection fee from \$734.45 to \$1,020.00 an increase of \$285.55 or 39 percent. The effective date for the charge will be upon approval of the Commission. The increase in Oldham County's connection fee is the result of Oldham County installing computer radio read meters for all new connections.

The connection fee contained in this notice is the charge proposed by Oldham County. However, the Public Service Commission may order a charge that is different from this proposed charge. Such action may result in a charge for applicants for service other than the charge in this notice.

Any corporation, association, body politic, or person may, by motion within thirty (30) days after publication of this fee change, request leave to intervene; and the motion shall be submitted to the Public Service Commission, Post Office Box 615, Frankfort, KY 40602, and shall set forth the grounds for the request including the status and interest of the party.

Intervenors may obtain copies of the application and related filings by contacting the District.

The District has available for inspection at its office the proposed change to its connection fee. An applicant for service may contact the District at 502-222-1690

This notice is published pursuant to 807 KAR 5:011-Tariffs.

LEGAL NOTICE

The Kentucky Transportation Cabinet

In accordance with KRS 176.051, Kentucky's noxious weed law, the Kentucky Transportation Cabinet will destroy noxious weeds on state-owned right of way at the request of the adjoining property owner. The noxious weeds named in this law are Johnson grass, giant foxtail, Canada thistle, nodding thistle, multiflora rose, black nightshade, wild cucumber and kudzu. Persons who own property adjacent to state right of way and who are involved in eradication efforts on their property can submit a written application to the highway district office in their area. Applications and addresses for each district office can be obtained from state highway garages.

NOTICE

Oldham County Water District has filed an application with the Kentucky Public Service Commission to increase its meter connection fee from \$734.45 to \$1,020.00 an increase of \$285.55 or 39 percent. The effective date for the charge will be upon approval of the Commission. The increase in Oldham County's connection fee is the result of Oldham County installing computer radio read meters for all new connections.

The connection fee contained in this notice is the charge proposed by Oldham County. However, the Public Service Commission may order a charge that is different from this proposed charge. Such action may result in a charge for applicants for service other than the charge in this notice.

Any corporation, association, body politic, or person may, by motion within thirty (30) days after publication of this fee change, request leave to intervene; and the motion shall be submitted to the Public Service Commission, Post Office Box 615, Frankfort, KY 40602, and shall set forth the grounds for the request including the status and interest of the party.

Intervenors may obtain copies of the application and related filings by contacting the District.

The District has available for inspection at its office the proposed change to its connection fee. An applicant for service may contact the District at 502-222-1690
