**Re: Jackson Purchase Energy Corporation
Notice of Intent to File**

Dear Sir:

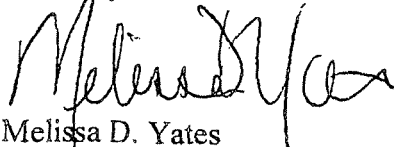

2009-00087

Please accept this letter as notice that Jackson Purchase Energy Corporation intends to file an application for approval of rates to flow-through the increase in rates being requested by its wholesale supplier, Big Rivers Electric Corporation in Case No. 2009-00040. The filing will be made pursuant to KRS 278.455. While I am of the opinion that the statute does not require a formal notice of intent to the Commission, I felt it appropriate to do so regardless.

I would ask that you please assign a case number to this matter upon its receipt so that we can include that in any published notice.

Should you need any further information from me regarding this filing, please contact me.

Sincerely,

Melissa D. Yates
