Re: Case No. 2009-00093  
Application of New Cingular Wireless PCS, LLC for Issuance of a  
Certificate of Public Convenience and Necessity to Construct a Wireless  
Communications Facility at 114 Rising Son Lane, Prestonsburg,  
Floyd County, Kentucky, 41653

Dear Mr. Skeans:

On April 1, 2009, the Kentucky Public Service Commission ("Commission") received your public comments and request for intervention in this proceeding.

By Order dated April 3, 2009, the Commission placed the New Cingular Wireless ("New Cingular") tower application in abeyance. This proceeding is being placed in abeyance pending a ruling by the Kentucky Supreme Court in a related matter concerning this Commission's jurisdiction over applications to build wireless communications towers at locations within the political boundary of a local planning commission that has adopted planning and zoning regulations. The Commission's jurisdiction over New Cingular's current application to build a tower in Floyd County is largely dependent upon the Supreme Court's decision. Please note that, although New Cingular's application will be affected by the ruling, New Cingular is not a party in the Supreme Court action.

As the application has been placed in abeyance, the Commission will not undertake a review of New Cingular's application or your request for intervention until such time as this proceeding becomes active again. No further action will be required
