ADDITIONAL EVIDENCE

Enclosed you will find **Exhibit I**, ten copies of a letter from Marsha Moorman at the Human Relations Commission stating that she could not contact me by telephone on **August 22, 2006**. If you look at the log that I submitted you will notice that on August the 22, 2006 I have stated that no one could contact me due to the problems with my Insight Service. **This was also during my time of grief, due to the fact that my mother passed away on August 22, 2006.**

Enclosed you will also find **Exhibit J**, ten copies of a page of the police report that was taken on **October 29, 2008** at the office of Marsha Moorman. It is case # 80-08-080769, however I am still waiting for an investigation. I also told Insight about this report and when I had their service in 2006 I took a log and tape to them out on Commerce Crossing.

Respectfully Submitted on March 23, 2009

Dear Ms. Marshall:

I received your phone message about proceeding forward with your appeal to the decision of Chief White. I am attempting to call you back at your two numbers that I have: (1) 384-8190 and (2) 488-0415. The 488 number presents a recording indicating that this is long distance, whereby I called that number in the long distance fashion, but still have not been able to contact you.

I am therefore, as a safe guard, sending you this note so that you can be aware of the fact that I am trying to reach you and I ask that you call me so that we can proceed with your appeal request.

As you know, my office number is 502-574-4357; however, since we are having such a difficult time connecting, if I do not answer my office phone, please call my cell phone at 502-592-5266.

I believe we also spoke of an appeal request statement to the Police Merit Board requesting an appeal hearing date and list your reason(s) why you do not agree with the Chief's decision. It does not have to be long and complicated, just a general idea and then you can describe them when you speak to the board.

**THE MISSION**

of the Louisville and Jefferson County Metro Human Relations Commission  
is to promote unity, understanding and equal opportunity  
among all people of Metro Louisville  
and to eliminate all forms of bigotry, bias and hatred from the community.
