Respective Mobile Home Park Owners

Re: Application of Hardin County Water District No. 1 to Modify Water
Utility Tariff; Case No. 2009-00113 Before the Public Service
Commission of Kentucky

Dear Respective Mobil Home Park Owners:

Please be advised that a non-binding mediation will occur at the offices of the Hardin County Water District No. 1 on Thursday, September 24, 2009 beginning at 10:30 a.m. The Water District offices are located at 1400 Rogersville Road, Radcliff, Kentucky. You are not obligated to attend. You are certainly invited to attend.

A professional mediator with experience practicing before the Public Service Commission will be present along with myself and the intervening mobile home parks. As a mobile home park owner you are also invited to attend. The purpose of the mediation will be to attempt to reach a mutually acceptable agreement to be presented to the Public Service Commission relative to the topic of master meters for the billing of mobile home parks.

Your attention to this matter is certainly appreciated.

Sincerely,

SKEETERS, BENNETT, WILSON & PIKE
