RE: Case No. 2009-00148

Dear Sirs:

Hendron Water District has reviewed the PSC Staff Report issued on November 16, 2009. We believe the report may be incomplete because Appendix C and Appendix D do not appear to contain a full set of our rates, which include Schedule 1 and Schedule 2 rates for different areas of the system.

We are asking the Commission Staff to clarify this situation before we provide additional comments related to the rate recommendations.

Sincerely,

Commissioners  
Hendron Water District
