Attention: Richard Raff

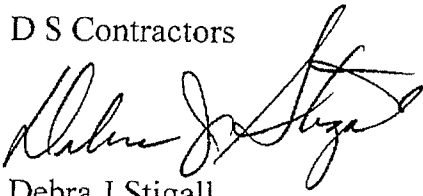

This is a request to postpone the previous application concerning the sale of the Lovelaceville Water Company until after the July 8th meeting with Division of Water.

We are having trouble getting the 2008 Year End Books from the McGowan's. And upon receiving all of the reports and test that have to be performed in order to run this company correctly we have discovered that we are having a problem getting this to cash flow.

We would appreciate your consideration in this matter.

Thank you for your co-operation and understanding thus far.
