State the nature of your concern: Executive Director PSC I wish to oppose the rate increase as stated by Big Bear Wastewater. Big Bear Wastewater stated the increase will go into effect May 30, 2009. I request the date of the hearing be set as to give us enough time to fully analyze the proposal and prepare our presentation. I own a condo at the Dens and our annual meeting is May 23, 2009 at which time the owners will discuss the proposal. Also Big Bear Wastewater tried to get the Dens and Treetops condos to become part owners of the treatment plant last summer so we have considerable data to analyze. I request that the rate increase not be allowed to go into effect until such time that we can give our presentation and the PSC gives their findings. Please send me the date of the hearing.

Sincerely, Sam Richardson
