**MOTION FOR FULL INTERVENTION BY
THE DENS CONDOMINIUM ASSOCIATION**

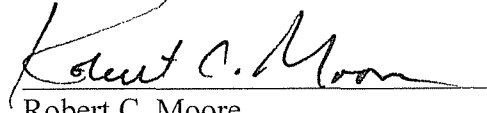

The Dens Condominium Association (hereinafter “The Dens”), by counsel, hereby moves the Public Service Commission of the Commonwealth of Kentucky (the “Commission”), to grant it full intervention in the above captioned matter, pursuant to 807 KAR 5:001, Section 8(3). The Dens request intervention as a party to the fullest extent permitted by law.

In support of this Motion, the members of The Dens own twenty-seven (27) condominium units that are served by the wastewater treatment plant owned by Big Bear Wastewater, Inc. The members of The Dens will be substantially impacted by the Commission’s decision on the application for rate adjustment filed by Big Bear Wastewater, Inc. because they will be required to pay any adjusted rate approved by the Commission. No other parties that will be required to pay any new approved rate have intervened as parties to this action. Accordingly, the members The Dens have a special interest in the case not otherwise adequately represented by any other party.

It is appropriate therefore that The Dens be made a party to this case and the undersigned counsel should be served with all testimony, pleadings, correspondence and all other documents submitted by the parties, and to participate in the hearing in this matter.

For the foregoing reasons, The Dens respectfully requests the Commission to grant this Motion for Full Intervention.

Respectfully Submitted,

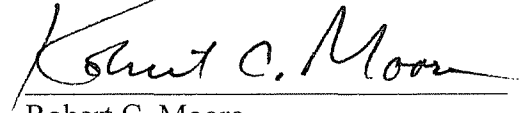

Robert C. Moore
