

refuses to furnish all or part of the requested information, KU shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Refer to the response to Item 3.a. of the Commission Staff's Initial Data Request ("Staff's First Request"). Provide an update of actual costs, estimated costs, and contingencies through the most recent date for which the information is available as of the due date for the response to this request.

2. Refer to the response to Item 4.b. of Staff's First Request. Provide the timetable under which KU plans to explore the process for performing the underwriting modeling associated with the electric industry catastrophic coverage program.

3. Refer to the response to Item 7.a. of Staff's First Request. Provide a narrative description and a detailed breakdown of each of the following miscellaneous costs: vehicle expenses; advertising; and telecommunications. Also include an explanation of why the level of costs incurred by KU for each of these items is significantly different than the level of costs incurred by Louisville Gas and Electric Company for the same item.

4. Refer to Exhibit 1 of KU's application, specifically, the costs identified as "Estimated Amount Considered Normal Operations." Provide a detailed description of how these costs were determined and calculated.
