

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED GAS ADJUSTMENT FILING OF ) CASE NO.  
COLUMBIA GAS OF KENTUCKY, INC. ) 2009-00176

O R D E R

On August 29, 2007, in Case No. 2007-00008,<sup>1</sup> the Commission approved rates for Columbia Gas of Kentucky, Inc. ("Columbia") and provided for their further adjustment in accordance with Columbia's Gas Cost Adjustment ("GCA") clause.

On May 1, 2009, Columbia filed its proposed GCA to be effective June 1, 2009. On May 19, 2009, we approved the proposed GCA effective for final meter readings made on and after June 1, 2009. On May 22, 2009, Columbia advised the Commission by letter that its monthly billing cycle had been revised and that the final meter reading cycle for its first billing unit for June 2009 would begin on May 29, 2009. It requested that the Commission amend our Order to coincide with these meter readings.

Columbia's GCA clause provides that "[t]he GCA shall become effective for the final meter readings of the first billing cycle of each quarterly calendar period."<sup>2</sup> As the first billing cycle for June 2009 is based upon final meter readings taken on and after May 29, 2009, the Commission finds that our Order of May 19, 2009 should be revised

to reflect the revised billing cycle. Such amendment is consistent with the letter and the spirit of Columbia's tariff.

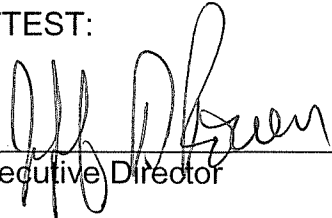

IT IS THEREFORE ORDERED that:

1. Columbia's request to amend the Order of May 19, 2009 is granted.
2. The rates set forth in our Order of May 19, 2009 are effective for billing with the final meter readings beginning on May 29, 2009.
3. All other provisions of our May 19, 2009 Order shall remain in full force and effect.
