In the Matter of:

APPLICATION OF FARMDALE DEVELOPMENT)	
CORPORATION FOR TARIFF REVISIONS AND)	CASE NO.
TO INCREASE CERTAIN NONRECURRING)	2009-00185
CHARGES)	

O R D E R

On May 13, 2009, Farmdale Development Corporation (“Farmdale Development”) filed an application to revise certain language of its rules and regulations and to adjust certain nonrecurring charges in its tariff. Farmdale Development proposed the new rates and rules and regulations to become effective as of July 1, 2009.¹

Having considered the proposed tariff revisions and being otherwise sufficiently advised, the Commission finds that, pursuant to KRS 278.190, further proceedings in this case are necessary to determine the reasonableness of the proposed tariff revisions.

IT IS THEREFORE ORDERED that the proposed tariff revisions of Farmdale Development are suspended for five months from July 1, 2009 up to and including November 30, 2009.

¹ Farmdale Development included a tariff page with its current monthly residential charge along with its monthly surcharge, but with an effective date of July 1, 2009. Those rates were previously authorized by the Commission in Case No. 2007-00436, Application of Farmdale Development Corporation for an Adjustment in Rates Pursuant to the Alternative Rate Filing Procedure for Small Utilities, by an Order dated July 30, 2008 and with a filed tariff sheet with an effective date of September 1, 2008. Those filed tariff rates are not affected by this Order.
