RE: Formal Application for Increase in Non-recurring Charges

This is an application to revise language, leak adjustment policy and certain non-recurring charges for the Laurel County Water District #2. Attached are the non-recurring charge cost justifications, proposed new tariff sheets and customer notice.

Laurel Co Water District #2 is not requesting a water rate increase at this time. However, the District can no longer absorb increased costs attributable to certain non-recurring charges. The customers affected by these increases will be the customers that cause the District to incur these additional expenses.

The Water District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Public Service Commission.

The District has published the enclosed public notice of these requested rate revisions in the local newspaper. An affidavit from the newspaper verifying that the notice was published for three consecutive weeks will be forwarded to you.

A copy of this application and related filings has been given to the Office of the Attorney General, 100 Perimeter Park Frankfort, and KY 40601.

Very truly yours,

Handwritten signature of David Hughes.
