SECOND DATA REQUEST OF COMMISSION STAFF TO  
LOUISVILLE GAS AND ELECTRIC COMPANY

Louisville Gas and Electric Company ("LG&E"), pursuant to 807 KAR 5:001, is to file with the Commission the original and eight copies of the following information, with a copy to all parties of record. The information requested herein is due no later than September 22, 2009. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

LG&E shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

LG&E fails or refuses to furnish all or part of the requested information, LG&E shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

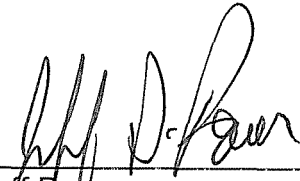

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Refer to the response to Item 9.b. of Commission Staff's First Data Request ("Staff's First Request"). Describe the nature of the more robust inspections that ATC Associates, Inc. ("ATC") is to perform on LG&E's impoundment facilities by November 15, 2009. At a minimum, the description should address whether test drilling, physical measurement of dam features, material testing, and calculations of spillway capacities and embankment stability will be done as part of the inspections.

2. Refer to the ACT draft report provided in response to Item 21 of Commission Staff's First Data Request in Case No. 2009-00197,<sup>1</sup> specifically, its assessment of the Cane Run emergency pond. State whether LG&E has addressed the deficiencies noted in the report and describe how it addressed, or intends to address, those deficiencies.
