CONTENTS

DEPOSITS

The Utility may require from any customer or applicant for service a cash deposit or other guaranty to secure payment of bills not to exceed two-twelfths (2/12) of the estimated annual bill of such customer. Interest at the rate of six percent (6%) per annum will be paid on deposits so required, accruing from the date of deposit.

DISCONTINUANCE OF SERVICE BY UTILITY

The Utility may refuse or discontinue service to an applicant or customer, after proper notice, for failure to comply with its rules and regulations or state and municipal rules and regulations, when a customer or applicant refuses or neglects to provide reasonable access to the premises, for fraudulent or illegal use of service, or for nonpayment of bills. If discontinuance is for nonpayment of bills, the customer shall be given at least forty-eight (48) hours written notice, separate from the original bill, and cut-off shall be effected not less than twenty (20) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the Utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may not be effected until the affected resident can make other living arrangements or until not less than ten (10) days elapse from the date of the Utility's notification. When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused, provided that the utility notify the customer or applicant immediately of the reasons for the discontinuance or refusal and the corrective action to be taken before service can be restored.
