Re: Middletown Waste Disposal Rate Case No. 2009-00227

Dear Sirs:

On September 28, 2009, the Commission Staff issued its first Information Request to Middletown Waste Disposal in the above-referenced case, and gave it 15 days to respond. Middletown is hereby requesting a two-week extension of time until October 27, 2009 to respond to the Staff's request.

The reason for this request is that the Treasurer and day-to-day manager of Middletown's operations, Mr. Donald Lorenz, is currently experiencing significant health issues and is unable to respond to this request within 15 days. In lieu of Mr. Lorenz, Middletown will need to rely upon several other people to formulate answers to the Staff's request, and we anticipate that it will take more than 15 days to gather the necessary information and compile an appropriate response.

Sincerely,

Paul Lichtefeld, President
Middletown Waste Disposal, Inc.
